

# School Districts of Innovation

## Annual Report

### July 2021

#### LAW

[Ohio law](#) permits the designation of an individual school as an innovation school or two or more schools in a district as an innovation zone.

#### ANNUAL REPORT REQUIREMENTS

Under [law](#), the Ohio Department of Education must issue an annual report detailing:

- The number of innovation schools in each school district of innovation and the number of students served by the schools;
- The number of innovation school zones in each school district of innovation, the number of schools participating in each zone and the number of students served by the participating schools;
- The innovations implemented in innovation schools and innovation school zones; and
- The academic performance of the students enrolled in an innovation school or an innovation school zone in each school district of innovation.

#### LEGISLATIVE RECOMMENDATIONS

There are no recommendations at this time, as no schools or districts have applied for or received the designation.

#### 2020-2021 SCHOOL YEAR

No schools or districts have sought the designation as innovation schools or zones under law.
