<p>[^]Any school in operation during the 2020-2021 school year was funded using the FTE, economically disadvantaged and non-economically disadvantaged counts from the FY21 Final #2 payment. Any newly opened school eligible under Criteria 2 was funded using FTE, economically disadvantaged and non-economically disadvantaged counts are pulled from FY22 January payment.</p> <p>*Funding was calculated by providing \$1,750 for each economically disadvantaged student and \$1,000 for all other students. However, the number of schools/students receiving the designation as a Community School of Quality exceeded the appropriation amount of \$54,000,000.00. Therefore each school received a prorated award equal to 94.37% of the calculated amount.</p> <p style="text-align: center;">For more information about each criteria, please visit Quality Community School Support homepage</p>
