~~2.12 CTE WORKFORCE DEVELOPMENT FOLLOW-UP (GV) RECORD~~

~~Required Collections~~

~~The CTE Workforce Development Follow-Up (GV) Record is to be reported for the March (D) Collection.~~

~~General Guidelines~~

~~CTE Concentrator follow-up data are collected for the second (2nd) quarter (October 1—December 31 timeframe) after graduation or after the student is no longer enrolled in school. This data collection should be conducted January through March of the current school year. Districts may use the Career Technical Student Follow Up Form, available on CTE’s website, to help collect data for reporting the CTE Workforce Development Follow-Up information. The follow-up information collected is reported on this record during the current year’s March (D) Collection.~~

~~The district in which the student was most recently a CTE concentrator shall report CTE concentrator follow-up data in the current school year’s March (D) Collection for all concentrators within six months of leaving school. This is typically concentrators from one or more prior school year’s Student (S) Collection, where the student was a concentrator. This record is compiled in the following manner.~~

~~Data from prior years are extracted for CTE concentrators who are no longer enrolled in school. During the Beginning of Year Student (S) Collection, the Department will select any concentrators who were enrolled in the prior year but are not enrolled in an Ohio School District in the current year. Concentrators who are reported as no longer enrolled the prior year but found to be enrolled in the current year will not be included in the current year follow-up reporting.~~

~~This record is based on multiple Student (S) EMIS databases, and includes graduates, for the duration of the student’s schooling anytime he/she was a concentrator.~~

~~The elements that appear on the March (D) follow-up record will be exactly as the district reported them in the last Student (S) Collection submitted. The following table lists elements that are derived from each prior Student (S) Collection.~~

~~Table 1. Source elements from the Student Demographic (GI), Student Standing (FS), and Student Attribute—No Date (FN) End of Year Records~~

CTE Data Element	Prior End of Year Data Element
CTE Program of Concentration Code (1, 2, 3, 4, 5) (GV320, GV350, GV380, GV410, GV540)	CTE Program of Concentration Element (FN290) or the program of concentration derived by the Department if the student met concentrator criteria and FN290 was not reported
Date of Birth Element (GV075)	Date of Birth Element (GI070)
Gender Element (GV080)	Gender Element (GI080)
Legal District of Residence (GV105)	Legal District of Residence (FS150)
Withdrawal Date Element (GV230)	Effective End Date Element (FS090)
Withdrawal Reason Element (GV240)	Withdrawal Reason Element (FS100)

~~A student can be a concentrator in multiple workforce development programs. However, during the March (D) Collection, a student can be reported as a CTE concentrator in only one workforce development program. For March (D), the district must choose which program the student will be reported as a CTE concentrator. The file layout will include five CTE Programs of Concentration and the district must identify which **one** of five possible CTE programs that identifies the CTE program in which the student is to be considered a CTE concentrator for the purposes of March (D) reporting. There will be a CTE Program of Concentration Flag and year next to each of the five CTE Programs of Concentration extracted from the EMIS databases. The district must select **only one** of the five programs to be the CTE Program of Concentration in which a student is considered a CTE concentrator by designating “Yes” in one CTE Program of Concentration Flag. Only **one** CTE Program of Concentration Flag can be set to “Y.”~~

~~Through the selection of the flag, the district defines the program referenced in the *Apprenticeship, Cumulative Worked Based Learning Hours, Employed Placement, Postsecondary Certificated/Licensed, Military Placement and Service Program Placement Elements.*~~

~~In the March (D) Collection, the following elements must be reported by a district for each CTE concentrator who was no longer enrolled. The elements are organized alphabetically.~~
