**Subject:** RE: Proposed FY24 EMIS Change 24-4

Good morning,

Thank you for your public comment and interest in EMIS. While high school CTE (VT, VP, PS curriculum code) courses taken by middle grade students do count towards concentrator status, there are no plans to begin including middle grade (VM curriculum code) courses in the determination of concentrator status.

Thank you,

**Erica Weaston**

My apologies the last line of my question should have read:

We wanted to know does that mean that if this change goes through that VM courses would now count towards concentrator status?

Thanks,

Hi Public Comment Team,

We were reviewing the FY24 proposed EMIS changes and proposed change 24-4 caught our eye in that the description of VM - Career Tech Education Middle Grade Course had the part that said VM courses do not count toward concentrator status crossed out.

We wanted to know does that mean that if this change goes through that VM courses would not count towards concentrator status?
