EMIS Change 25-95

This change updates the name of subject code 111350 from “Modeling and Quantitative Reasoning” to “Quantitative Reasoning.”

SECTION 4.7: SUBJECT CODES

Table 1. Additional High School Level Mathematics Codes (11xxxx)

Subject Code	Description	Suggested Subject Area for Credit	Core Subject Area (for proper cert)
111350	<p>Modeling and Quantitative Reasoning</p> <p>This course prepares students to investigate contemporary issues mathematically and to apply the mathematics learned in earlier courses to answer questions that are relevant to their civic and personal lives. The applications should provide an opportunity for deeper understanding and extension of the material from earlier courses. This course should also show the connections between different mathematics topics and between the mathematics and the areas in which applied.</p>	MTH	Mathematics
