

### Mission of Pupil Transportation Office

To provide guidance, assistance and training to all pupil transportation personnel and programs, directed toward achieving the highest level of safety, efficiency and compliance.

- The safety of children, as they are transported to and from school sessions and school related events, is our highest priority.
- We recognize the school bus driver as a professional, and pledge to strive for uniform and consistent operations, qualifications, requirements, and training.
- We value the contributions that safe and effective pupil transportation programs have toward the quality education of a child.
- We value our “customers” and recognize the term includes private and public school administrators, private transportation providers, transportation directors, school bus drivers, teachers, parents, and the children of our state.
- We value integrity and pledge professionalism, courtesy, and promptness in performing our responsibilities.
- We value the relationship with other agencies, organizations, and associations and recognize their contributions toward the achievement of our mission.
